## AAAA Trade Show & Brisbane Truck Show...

ATAP exhibited at both the AAAA Show in Victoria & the Brisbane Truck Show in Queensland during May and both were a great success!

Thanks to all who came and visited us to chat to our staff and to see the huge range of product

ATAP Stand AAAA

we now have available.

It's a great opportunity to speak to our customers trade to get valuable feedback and information from the people who matter!

We received many enquiries that we are keen to follow up on over the following months. Many of these will be referred to current ATAP customers.

Thanks again for your support.
