ATAP SALES CONFERENCE!!

On Saturday 19th of February the entire ATAP sales team from around the country, got together in Melbourne at our Derrimut Head Office.

With issues like sales, product development, Cataloguing, customer service and even the best places to work in China, on the discussion board it was a very complete day.

The idea behind the day is to update all of our sales staff first hand and to allow them to have a say on any topic they choose. The fact that people are willing to give up their weekend and fly to Melbourne is a testament to the dedication of our great people. Something which hopefully shines through to our customers. With

everyone in the one place it is also a good opportunity for some staff to put faces to a voice.

Geoff Engelbrecht, Brie Muir & Jocelyn Rodriguez

We ended the night with a cruise out of the Yarra and into Port Phillip bay, where Shane Tazewell (ATAP NSW) entertained us with some provocative "Pole dancing" and some unbelievable "Air Guitar".

Thanks again all for your time effort and input.
