## TRW DTEC- Next Generation NOW AVAILABLE...

Great Performance. Less Dust.  
Why TRW D-TEC?  
All non asbestos pads create dust.  
The challenge is to reduce the dust while still providing great performance. TRW engineers bring you a new generation ceramic friction material which delivers significantly less dust along with great stopping power.

Wear rates have been improved to help make this brake pad a great all-rounder with no compromise.

Compared to their nearest competitor, D-TEC have very low noise occurrence.

**SPECIAL INTRODUCTORY OFFER!!**  
When you purchase 2 sets of D-TEC Next Generation pads you will receive a BONUS TRW Multi- Purpose Tape Measure!!

\* Only available whilst stocks last & for the month of November.

## MOVEMBER IS

# HERE...

It's Moustache Season, so staff here have decided to do their bit for men's health and commit to grow and cultivate fine looking moustaches during Movember.

We are on the hunt for fellow fine and like-minded individuals to join our quest by signing up to our team. Together we can change the face of men's health.

To join our Movember team go to

[https://www.movember.com/au/register/details/team\\_id/245250](https://www.movember.com/au/register/details/team_id/245250)

The more people we can get to join, the more lives we can impact.

You can either grow a moustache as

a Mo Bro, or join as a Mo Sista.

If you'd like to find out more about Movember cause take a look at the website:
