ALL
NEW DISC
PADS

Purchase 5
sets & receive
a **BONUS** set
FREE!!

*Purchases must be made on a
single invoice & only available
whilst stocks last

Features:

- MANUFACTURING PROCESS UTILISES THE ADVANCED FRICTION TECHNOLOGY OF POSITIVE MOLD - THIS ENSURES CONSISTENT COMPRESSIBILITY AND RESULTS IN QUIET OPERATION AND GREATER PAD LIFE
- OUR NEW PREMIUM CERAMIC FORMULATION CONTAINS CERAMIC AND COPPER FIBRES WHICH ARE PROVEN TO DISSIPATE HEAT

You can fit PROTEX ULTRA DISC PADS safe in the knowledge you are fitting a premium disc pad which will stop a vehicle effectively while delivering durability and quiet operation.

ATAP Staff...

A little bit about: Steve Bateman

Steve is part of our sales team in WA and has been with ATAP for over 8 years. Steve is a valued member of the team at ATAP WA with extensive product knowledge and experience. Steve recently celebrated his 60th birthday and thought it was time for a new look! (See picture)

Outside of work Steve he is a Chrysler enthusiast, so much so his front lawn is covered in several long-term future "projects". He has three

daughters, two of which share the same passion for Chryslers and are rebuilding their cars together.

Steve is a self-confessed Coke addict.... of the fizzy variety & loves his morning danish and telling a few stories. *All the best Steve & Happy 60th!*
