Tridon Wiper Blades

Plastic Back Wiper Refills

Made from the highest quality materials to ensure a crisp clean wipe. Also designed to assist in slowing the ageing process caused by harsh UV elements. The range includes Heavy Duty Truck and Bus Wiper Refills.

Metal Rail Wiper Refills

Are available to suit Australian, Japanese, European and Korean vehicles. The twin rail refills have been designed to offer a quality rail style refill as used by leading vehicle manufacturers through out the world.

Complete Wiper Blades

Premium quality metal blades are available to suit front and rear applications on Australian, Japanese, European and Korean vehicles. The range is available in 15 lengths and come with adaptors to suit various arm styles.
