AAAA Trade Show

Come and see us at the up coming Australian Automotive Aftermarket Expo in Sydney- **Stand U14.**

The show is on from Thursday the 2nd of April until Saturday the 4th.

Our stand will have a representative from each of our state offices as well as phone room staff from our Sydney branch. So come and put a face to all the guys you always talk to.

We will have products on display plus loads of information on all of our product ranges.

ATAP are aiming to inform people of our ever expanding range and to show the quality of our products and brands.

We hope this will in turn help ATAP

customers with their sales and have confidence in ATAP products.

We are looking forward to catching up with all of our customers.

Please contact your local ATAP office for any further information on the AAAA Trade Show.

ATAP Staff

We would like to congratulate **Lynette Quinn** for 20 years service with ATAP.

Lynette works in our Phone Room in Melbourne. Lynette is a valued member of our staff. She is great to work with as she is always willing to help out and is happy to do so.

Lynette started out at ATAP at

as a driver for five years and then moved in to sales where she is currently.

Lynette likes interacting with customers and the people she works with, everyday is different! Lynette thinks it doesn't feel like she has been here 20 years, so she must be enjoying her job.

Outside of work you will find Lynette in her garden as she likes to spend most of her free time there.

We would like to wish Lynette all the best and look forward to working with her in the future.

WELL DONE LYNETTE!!
