AUTOMOTIVE PRODUCTS

TIMING BELT KITS

- Pro-Torque kits are complete and contain all necessary components to complete timing belt replacement
- Only quality Dayco Timing Belts are used or equivalent on some European applications
- OE or OE equivalent tensioner, idler and hydraulic tensioner where applicable
- High temperature oil seals plus "O" rings as required
- Installation instructions are included to record change over details
- The range has over 400 part numbers covering European, Japanese, Korean and Australian applications
